

Fresh Praise

Shout joyfully to God, all the earth; sing the glory of His name; make His praise glorious. Psalm 66:1-2

When we come before the God of the universe we want to have a sense of entering into the holy of holies; a sense of standing in His presence. Praise helps us to recognize Him for WHO He is before we seek Him for WHAT He does. Try this: choose a word from each of the columns below and insert them into the following sentence:

I praise You (1)_____ (2)_____;
You are (3)_____ and You reign with (4)_____.

Repeat this phrase several times to God. Reflect on each word and what it means to you. Write what you're thinking. Consider the images these words bring to mind. Record what you see, hear, and feel. Let this be your first prayer to God when you come into His presence. Doing this will give you a fresh way to praise Him every day, and your words will never feel stale or repetitive.
