

## ALPHABET PRAYER

Sometimes remembering all the people, places, and promises to pray for can feel overwhelming. Where do we start? Whom should we include? Try making a prayer list using the letters of the alphabet. You can do one list for people, one list for places, or even a list for character qualities you want God to work on in your life. Then, when you find yourself with free time (like in the middle of the night when you wake up for no reason), just pray your way through the alphabet!
