

Heart Map

“Dear friend, do what I tell you; treasure my careful instructions. Do what I say and you'll live well. My teaching is as precious as your eyesight—guard it! Write it out on the back of your hands; etch it on the chambers of your heart.” Proverbs 7:1-3 (MSG)

What if you were to draw a map of your heart? What etchings of God's word would be there? Fill the heart below with life verses God has given you and the dates in which they first had relevance in your life. These verses, like puzzle pieces, come together to make a picture of your relationship with God.
